

## **Ongoing sessions**

Training sessions on skills development to students for accessing and searching on OPAC (library database), JSTOR and HEC DL on every Thursday.

Training sessions for faculty in Article searching on JSTOR and HEC DL, Wiley Online Library, and other Online journals on every Wednesday.

Prior Registration is required on telephone extension 352 (Tariq Ali) and Librarian on extension 252. Individual sessions (one to one basis) can be arranged if desired for faculty members.
