IoBM – CCSIS THIRD COLLOQUIUM IN MATHEMATICS

June 23, 2009

CALL FOR PAPERS

In spite of its undeniable importance and existence of qualified experts, Mathematics, as a whole is not getting proper attention. To address this problem and to find strategies to flourish and develop the subject, IoBM has decided to conduct a series of Mathematics Colloquium. The two initial Colloquiums on” **Optimization**: Applications in Business, Economics, and Management” and on “**Simulation**”: Applications in Business, Economics, and Management” were well appreciated. The 3rd IoBM Mathematics Colloquium scheduled on June 23, 2009 will address

“**FINANCIALMATHEMATICS**:

APPLICATIONS IN BUSINESS, ECONOMICS AND MANAGEMENT.”

In addition to the main theme we also welcome Articles / Presentations / Discussions related to “**FINANCIALMATHEMATICS**” such as Stochastic modeling, Time Series analysis, Markov models, to name a few.

The objective of the Colloquium is to bring the learned experts at one place and to provide a platform for academic discussions.

Kindly send us your Paper Synopsis (not more than 300 words) latest by **10th June 2009**.

Further information and requirements are mentioned on the enclosed form.

Please do not hesitate to contact us in case of any queries.
